

We bake really good stuff.™

Kangaroo Brands Charitable Giving Guidelines

As a family owned business located in Milwaukee for over 30 years, Kangaroo is pleased to help worthy causes that enrich the community. In accordance with its mission, Kangaroo Brands specifically supports nonprofit programs focusing on children, nutrition/health, hunger relief and other Southeastern Wisconsin-based community programs.

Product donations:

Kangaroo provides donations of its products along with coupons for its products. Typically, Kangaroo offers 100-calorie packs of baked Pita Chips for ease in distribution. On occasion, Kangaroo does also offer product donations of bread. All donations must be picked up at the Kangaroo Brands bakery at 7620 N. 81st Street.

Auction Items:

If you are seeking an item for a silent auction, Kangaroo offers “Pita Products for a Year.” This item valued at \$150 gives the winning bidder 52 free product coupons so that he may redeem one each week for an entire year at any U.S. retail location.

Sponsorships:

All non-product sponsorships must be approved by the marketing manager and fall within the marketing budget. Ideally, sponsorships would align with sales efforts and promotions.

We do not provide support to the following:

- Individuals
- For-profit corporations
- Political organizations

Receipt and Recognition:

- For all donations, the organization must provide Kangaroo with a letter with the following language: “No goods or services were received for this contribution.”
- Whenever possible, Kangaroo would appreciate the opportunity to display signage, logo, hand out coupons or a Facebook “shout out” in recognition for its donation.
